Maintenance and Care Instructions

- This product may only be used for its intended purpose for residential premises. Any other uses may affect the warranty.

To maintain and lengthen the life of this product, we recommend the following regime:

- Kettler furniture is designed to be left outdoors all year round (excluding cushions).
- We recommend our weatherproof cushions are covered when not in use in order to use immediately. If the cushions get wet from a shower, they will take approx. 20 minutes – 2 hours to fully dry. We recommend storing in a dry ambient temperature during winter months.
- Kettler cushions are not suitable for dry cleaning and are not machine washable. Sponge clean only. We recommend the use of the Kettler fabric care kit to clean and protect your cushions. This is available to purchase from the Kettler website.
- We recommend you clean your Kettler furniture at the beginning and end of the season. To clean your Kettler furniture, use warm soapy water only. Never use abrasive chemicals or cleaning agents. To lengthen the life of your product we recommend the wicker cleaner and protector from our after-care range available to purchase from the Kettler website.
- Tree sap and bird droppings should be cleaned off immediately with warm soapy water.
- We recommend covering your furniture with a Kettler tailored cover (where available) or a universal breathable cover when not in use.
- Moving parts such as locking mechanisms, catches and joints need to be lubricated where necessary.
- This product is 100% recyclable. At the end of the products life, please dispose of responsibly.
- Colours may vary slightly

Failure to comply with the outlined instructions will result in the warranty being invalidated.

For more information view our
'How-To' and maintenance videos:

Attention

Please be aware that painted/varnished surfaces can be damaged by sunscreens and oil based products. If the surface of your Kettler leisure furniture comes into contact with sunscreens, the surface is to be cleaned without delay as described above. Only in this way can lasting discolouration of the surface by the ingredients of the sunscreen be prevented.

For Your Safety

- This product may only be used for its intended purpose as furniture for residential properties.
- Check all components regularly for correct function, damage and loose connections especially at the start of the season and at 1-2 month intervals dependent on use.
- Damaged components may endanger your safety or shorten the life of the product. Replace all damaged parts immediately. Use only spare parts manufactured by Kettler. Should you wish to purchase spare parts, they can be ordered directly from: **www.kettler.co.uk/shop**
- Kettler will not be responsible for damaged caused by improper use.

Attention

- Whilst assembling this product keep out of the reach of children. (Choking hazard – contains small parts)
- Ensure that your working area is free of possible sources of danger, for example don't leave any tools lying around.
- Always dispose of packaging material in such a way that it may not cause any danger. There is always a risk of suffocation if children play with plastic bags!
- We reserve the right to make changes for technical reasons.
